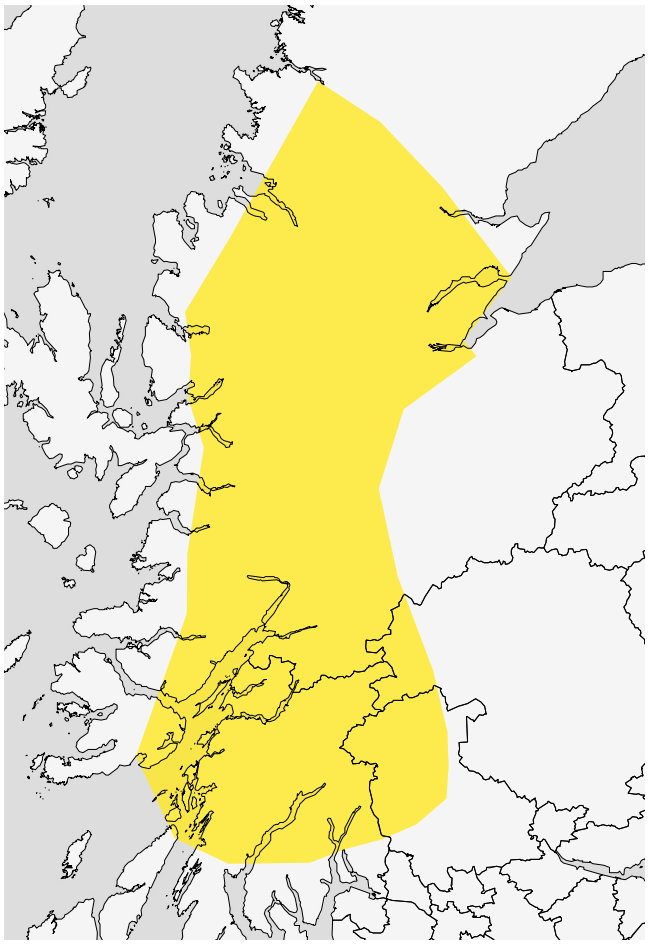
Yellow warning
Rain

Between
00:00 Tue 17 Nov 2020 and
15:00 Wed 18 Nov 2020



Heavy and prolonged rain is expected through Tuesday and much of Wednesday. Flooding is possible in places along with disruption to travel.

What to expect

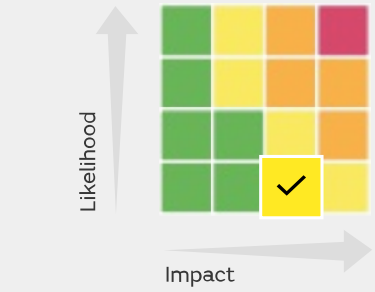
- Bus and train services affected with journey times taking longer
- Spray and flooding on roads will make journey times longer
- There is a small chance that some communities become cut off by flooded roads
- There is a small chance that homes and businesses could be flooded, causing damage to some buildings

Further details

Rain will persist throughout Tuesday and into Wednesday, turning heavy at times, with heaviest rainfall over high ground. By Wednesday afternoon 50-100 mm of rain will fall widely with 150-200 mm possible in a few locations over high ground.

Reason for update

The persistent rainfall on Tuesday and Wednesday is likely to affect parts of Sutherland and Easter Ross so the warning area has been extended north and east.



Very low likelihood of medium impacts
